1/3/97

Dear Mr. Weisberg,

Here is the remaining portion of the book you requested. Ramona Branch kindly copied it for us. You no longer have any free copies and she didn't charge for any of the copies which was great.

The packets are not broken down in any particular place - just so that they could be stapled.

I sent for the tape yesterday. If you do not receive it in a couple of weeks please let me know.

I hope you are doing well & please give Mrs. Weisberg my best.

Happy New Year!

Love,
Anne
